

Fison Barn Venue Hire for Wedding Receptions and Private Parties

Fison Barn is a magnificently restored 19th century barn and opens out onto a large, private courtyard. The barn is a beautiful 'blank canvas' for wedding receptions and celebrations. We allow the hirer to organise the catering, decorations and entertainment to add a truly personal touch to their event.

The venue hire fee includes the day of the event*, set-up the day prior (10am-5pm), and two hours to pack-down the following morning. The hire package is a unique and generous offer, providing the space and time you need to create and enjoy your special occasion.

Not only does the hirer have exclusive use of Fison Barn, the hire fee also includes our Poem Tree barn, which is a great space for your caterers and/or bar to set-up or for you to use as an overspill area to the main event.

Fison Barn can accommodate up to 85 guests for a sit-down meal or up to 200 people standing across our three spaces (Fison Barn, Poem Tree and the Courtyard). Fison Barn and its courtyard are now licensed for wedding ceremonies for up to 85 guests.
