

Make your own mud paint

You will need:

- Mud
- Berries* (such as elderberries or blackberries)
- An old pan
- Paintbrush
- Trowel.

*You can find lots of colourful berries out in nature, but make sure you only handle those safe for eating.

How to get painting:

1. Mix and mash your mud and berries together using the pan and trowel
2. Find yourself a natural easel and paper like a tree
3. Get painting!

Can you paint all the letters of your name?
