10:30 Walk to Wittenham Clumps

12:00 Lunch

12:45 Visit our active Roman archaeological site

13.30 Artefact handling and pottery making

14:00 Collect bags and depart

Your visit

Escape the classroom and bring history to life. We have designed a day that will immerse your pupils in local Roman history by exploring a landscape where archaeologists have uncovered a Roman settlement with a villa, two cemeteries, a grain kiln and pottery from across the empire. We aim to spark pupils' curiosity by giving them an opportunity to connect with history in a tangible way; your class will battle with the Iron Age tribes, handle artefacts and, make food using traditional methods in addition to exploring the art and culture of this impressive civilization. Leaving Earth Trust they will be inspired and eager to learn more.

Learning Outcomes

In addition to immersing themselves in the history of our unique outdoor classroom, pupils will:

- Gain further knowledge of the Romanisation of Britain, through the spread of Roman technology, culture and beliefs.
- Understand how evidence is used rigorously to make historical claims, using real-life artefacts.
- Learn how their local history fits in with national and international history.

National Curriculum links

Each of our sessions links into the National Curriculum and supports your classroom learning.

Our Influential Romans Day covers:

- The Roman Empire and its impact on Iron Age Britain.
- Opportunities for a local history study.
- Supports the development of a chronologically secure knowledge and understanding of British, local and world history
