

Autumn Nature Spotter Activity Sheet

Tree leaves transform their colour, and animals prepare for the long, dark nights ahead.

Step outside, breathe in the crisp, fresh air, and explore the magical beauty of autumn.

How many of these things can you spot?

<input type="checkbox"/> Acorn 	<input type="checkbox"/> Shiny, brown conker 	<input type="checkbox"/> Red Leaf 	<input type="checkbox"/> Yellow Leaf 
<input type="checkbox"/> Helicopter seed 	<input type="checkbox"/> Toadstool 	<input type="checkbox"/> Squirrel 	<input type="checkbox"/> Pumpkin 
<input type="checkbox"/> Hedgehog 	<input type="checkbox"/> Green Shield Bug 	<input type="checkbox"/> Thrush 	<input type="checkbox"/> Blackberry 

Something else interesting
I spotted today:
